Cecil Nurse.

80 YEARS OF BETTER WORK.

Cecil Nurse is Africa's leading supplier and manufacturer of office furniture. Our extensive portfolio offers a comprehensive range of furniture solutions designed to enhance modern work environments. We collaborate closely with our clients to deliver innovative, functional, and efficiently designed workspace solutions tailored to their unique needs.

STOCK AVAILABILITY
The majority of products featured in this catalogue are kept in stock, allowing for swift shipping from our 14,000m² distribution centre in Gauteng.

INNOVATION
Our product development team at Cecil Nurse collaborates with designers, architects, and international partners to deliver cutting-edge office furniture solutions that align with global trends.

NATIONAL FOOTPRINT
Cecil Nurse has a presence in key regions across South Africa, Namibia and Botswana, and is well-equipped for exports throughout Africa. We are registered under both the SADC (Southern African Development Community) and AfCFTA (African Continental Free Trade Area) trade agreements.

IN-HOUSE MANUFACTURING
Our manufacturing facility, located in Cape Town, utilizes advanced CNC software and high-tech machinery to ensure precision and quality. The facility is ISO 9001-certified for quality management systems.

ENVIRONMENTAL RESPONSIBILITY
The manufacturing plant is ISO 14001-certified for environmental management systems. At our Germiston distribution centre, we actively recycle all waste, minimizing landfill use.

SAFETY STANDARDS
Our wooden products are crafted from particle board manufactured by PG Bison, adhering to E1 standards for formaldehyde emissions. All imported task chairs meet international BIFMA standards and are certified accordingly.

COMMITMENT TO TRANSFORMATION
Cecil Nurse is dedicated to playing a key role in both company and national transformation, focusing on employment equity, training, learnership programs, and the B-BBEE pillars. We proudly maintain a Level 1 B-BBEE status.

PART OF BIDVEST
Cecil Nurse is a wholly owned subsidiary of the Bidvest Group LTD.

SOCIAL RESPONSIBILITY
Cecil Nurse proudly sponsors the broadcast of major international cycling events such as the Giro d'Italia, Tour de France, and La Vuelta, bringing them to SuperSport viewers.

LOOKING TO TRANSFORM YOUR SPACE IN UNDER A WEEK?

With our on demand catalogue, you can order from a wide range of products and receive them within the same week.

01 Explore our catalogue featuring over 200 pages of in-stock items.

02 We offer products across all categories, including chairs, desks, reception furniture, café furniture, and more.

03 We can measure your office space, or you can provide us with the dimensions, and we'll create a tailored space plan for you.

04 Once the plan is approved and your order is placed, we will handle the rest.

05 We'll deliver and install everything according to the approved layout.

Cecil Nurse.
WORK BETTER.

OUR PROMISE TO YOU

When you choose our office furniture, you do so with style and confidence. Our high-quality products come with a **5-year guarantee** (unless otherwise specified), designed for use 8 hours a day, 5 days a week. All items meet international quality and safety standards, and our manufacturing facilities not only comply with the rigorous standards we set for ourselves but also with stringent South African and global requirements.

BIFMA certification is the USA standard for office furniture that ensures products meet safety, durability, and performance requirements, promoting sustainability and environmental responsibility in workplace furnishings.

Greenguard Gold certification is a stringent standard for low VOC emission materials and products, ensuring they contribute to healthier indoor air quality by meeting strict chemical emissions limits.

Cecil Nurse Manufacturing is **ISO9001 and ISO14001 certified**

ISO9001 is an international standard for quality management systems that helps organisations ensure consistent product quality, improve customer satisfaction, and enhance operational efficency.

ISO14001 is an international standard for environmental management systems that helps organisations improve their environmental performance through more efficient use of resources and reduction of waste.

Cecil Nurse, a division of Bidvest Office (Pty) Ltd, cannot be held liable for any loss or damage incurred by any party due to the representations in this catalogue or variations in actual product dimensions. Cecil Nurse, a division of Bidvest Office (Pty) Ltd, reserves the right to amend, modify, substitute, or discontinue any products featured in this catalogue.
